

TORIE FINNANE FOUNDATION ROUND

SATURDAY 27 JUNE

T
game day
program

POWERED BY OUR MAJOR PARTNERS

We gather today on the land of the Wiradjuri people.

We acknowledge the Traditional Custodians of the land we gather on, and from which people have travelled to be here today.

We pay our respects to Elders past, present and emerging. We extend that respect to all First Nations players, officials and spectators joining us today.

We ask that everyone please respect the cultural protocols of the area, which are also values that we hold firmly in our club.

We ask that everyone, on and off the field, please be respectful and act with integrity as we all enjoy the game we love.

from the
president

Welcome to Endeavour Oval on a very special day for our club and community - today we mark the fifth annual Torie Finnane Foundation Round.

We're extremely proud to be partnering with and support the TFF again, the impact of the work they do for regional maternity services can never be overstated, it is of such importance.

We're also thrilled to be able to celebrate today with all of our Senior and Junior sides playing at home, and it also happens to be a local derby for most, which makes it all the more exciting.

As usual, our Men's and Women's First XVs will be wearing one-off, Torie Finnane Foundation-styled jerseys today. An online auction for each one has been open for some time, and many will be auctioned tonight.

I encourage everyone to stick around for the after-match auction and, if you are able, throw your hat in the ring to buy one. You won't get another chance, and it is all in support of a wonderful cause.

Don't forget, our Netball sides are also in action today over at Anzac Park. On any weekend, if you have a chance please head out to watch and support them. The growth of our netball club is something we're extremely proud of.

As always, good luck to all our sides today and thank you to our officials, sponsors and volunteers. See you in the clubhouse for a beer and a bid later.

Charlie Henley

ANGULLONG
VINEYARD

torie finnane

Torie Finnane was a deeply-loved midwife, mother, wife, daughter and friend, whose passion for improving maternity care has touched countless lives across regional areas.

Raised in the Snowy Monaro, Torie combined country values with clinical excellence developed across leading maternity hospitals in Sydney and, later, at Orange Health Service.

Torie was known for her warmth, practical skill and generous teaching, mentoring young midwives and doctors with clarity and kindness. She is deeply missed, inside and outside of the health system.

Torie was a devoted daughter, sister, wife, mother and friend whose family was central to her life. In the wake of Torie's sudden death in 2020, it seemed only fitting to Torie's family to honour her by establishing the Foundation.

The Torie Finnane Foundation is dedicated to strengthening maternity care in regional, rural and remote areas.

It provides professional development for midwives, nurses and special care nursery staff, funding advanced training and placements in metropolitan hospitals and enabling those skills to be brought back to local communities.

The Foundation also supports the purchase of essential maternity and neonatal equipment to enhance infrastructure at regional hospitals, and improve care for women, babies and families.

Follow the Torie Finnane Foundation on social media and visit its website to find out more, donate directly or learn more about how you can support.

jersey auction

Our Torie Finnane Foundation Round kits have always been inspired, but the 2026 version from 2Reds might just be the best yet. So you don't want to miss out on your only chance to get one

The only auction has been running all week, but 11 jerseys will go under the hammer in the Endeavour Oval clubhouse on Saturday night too. See below for which jerseys are being auctioned in person.

Men's | #1 | #5 | #8 | #10 | #15 | #20

Women's | #2 | #7 | #9 | #12 | #20

emus netball

We're extremely proud to say our Netball program has once again grown and developed in the off-season, and this year we have eight senior teams in Orange Netball Association's competitions - up from six in 2025.

Our Netball Committee continues to work grind tooth and nail to continue making progress every year, by recruiting players, increasing sponsorship and building a culture of inclusion and fun.

Our sides have started the season fast too, playing some incredible netball and building a culture to be proud of. They're picking up plenty of wins too.

We encourage our entire community to support our Netball sides and help us continue to grow the game, and our club now and into the future.
